

## PARENTAL CONSENT

I (being the Parent or Guardian of the person named below) understand and agree that my son/daughter participates in the MUG (Male Uprising in Guernsey) Mountain Bike Ride on Sunday 9th October 2022 entirely at his/her own risk. I have considered and understand the nature of such events and I have discussed them with my son/daughter. I am satisfied that my son/daughter understands the Statement of Indemnity as laid out above. I understand and I have emphasised to him/her that the function of marshals in such events is to do not more than indicate the direction the rider should take and that the responsibility for negotiating any hazards is entirely the responsibility of the rider. I understand further and have impressed upon my son/daughter that all participants in events must observe the law of the land and the rules and regulations pertaining to all parts of the route. I agree that my son/daughter shall participate in such events without any liability whatever on the part of the promoter, Male Uprising in Guernsey or any committee member or official affiliated thereto in respect of any injury, loss or damage suffered by him/her, however caused.
